

POST-VENTURE

DAY 1 - MONDAY, 17TH NOVEMBER 2025

08.30

Registration, Refreshments and Networking

9:00-09:05

Welcome Speech by Master of Ceremony-Mohammad Naveed Zafar,
People and Culture Manager, Energia Middle East

09:05- 09:15

Opening Speech by Conference Chairman-Mohammed Saud Al Subaie,
Senior Inspection Manager, Sabic

09:15- 09:50

Keynote Speech- The Intelligent future of Smart Inspection: AI Driven NDT for Safer,
Smarter Energy
Mohammed Abufour, Global Consultant - Advanced Nondestructive Inspection
Technologies Leader

09:50-10:20

How Global Leaders Built a Proven Implementation Framework to Move from Field
Work to Online 3D Systems

Derek Feebrey – Chief Executive Officer, Trendspek
Andrey Derevyanko – Industry Lead, Oil & Gas, Trendspek

10:20-10:30

Plaque Distribution for Sponsors & Committee

10:30- 11:00

Morning Networking Break

11:00- 11:30

Predictive Integrity for Tank Management
Alessandro Nanni, Founder, Ran Innovation

11:30-12:10

Panel Discussion:

Smart Repairs: Robotics and AI for Online Maintenance of Critical Assets

Panel Moderator:

Arve Martinsen, Managing Director/ CEO blue Empowered by Kaefer

Panel Member:

Mohammed Saud Al Subaie, Senior Inspection Manager, Sabic
Mohammed Abufour, Global Consultant - Advanced NDT Leader
Andrey Derevyanko –Industry Lead, Oil & Gas, Trendspek
Mundhir Al Balushi, Head of Operation and Maintenance, OQGN

12:10 –12:40

External Corrosion Risks on Electrically Bonded Buried Lines: Understanding the Impact of Stray Current Flow Direction
Reem Alalwan, Corrosion Engineer, Aramco

12:40-13:10

INTERACTIVE GROUP DISCUSSION SESSION

The following session will feature a series of interactive group discussions set in a round table format. There will be a maximum of 2 group leaders who will introduce a concept or case study to the participants followed by an interactive discussion and live feedback. The round table leaders will rotate every 30 minutes. Table leaders will rotate two times during this session.

Roundtable 1

Leveraging Data from Smart Inspections for Predictive Maintenance

Discussion Focus:

Exploring how data collected from automated inspections can be integrated into predictive maintenance strategies.

Roundtable 2

Building a Data-Driven Inspection Strategy: From Collection to Action

Discussion Focus:

How can oil and gas companies develop an effective data strategy to collect, analyze, and act on inspection data for better decision-making?

13:10-13:20

Each roundtable leader will take the stage to give feedback on their respective discussions and share it with the audience

13:20-14:10

EXPERT EXCHANGE: SOLVING REAL-WORLD CHALLENGES

This session will provide a platform for open technical discussions and collaborative problem-solving. Industry experts will engage with the audience to address real-world challenges and share practical solutions.

14:10-14:15

Speaker Certificate Distribution

14:15

Afternoon Networking Lunch and End of Day 1

DAY 2-TUESDAY, 18TH NOVEMBER 2025

08.30

Registration, Refreshments And Networking

9:00

Opening Session by Master of Ceremony, Mohammad Naveed Zafar, People and Culture Manager, Energia Middle East

09:00- 09:30

GETAC Technology Corporation
Alaa Hajj Diab, Sales and Business Development Professional, GETAC

09:30- 10:00

Beyond Human Reach: Leveraging Sensor Data and Robotics for intelligent condition insight for CUI
Arve Martinsen, Managing Director/ CEO blue Empowered by Kaefer

10:00-10:30

Fuel for Thought is where your expertise meets a fast-paced quiz showdown! Grab your device, fire up the app, and get ready to tackle questions regarding both work and fun. It's a battle of wits and knowledge, where you'll compete with peers, gain insights into industry. This session will test your smarts, spark some friendly competition, and maybe even win a prize or two!

10:30 -11:00

Morning Networking Break

11:00- 11:40

Panel Discussion
Integrity Monitoring in Harsh Environments with Real-Time IoT Sensors

Panel Moderator
Sayyid Wajid Ali, Technical Head, CTS Group

Panel Members
Eng. Fahad M. Mudayef, Principal Engineer, Sabic
Salman Bazroun, Inspection Specialist in Digital Solutions, SABIC
Ahmed Alowaid, Team Leader Inspection, Adnoc

11:40- 12:05

Reliability Financial Impact (Case Studies)
Ahmed El-Sheriff, Reliability Manager, Reliability and Asset Management Consultant, AMOC

12:05- 12:30

Digitalization of Contractor Management Processes
Omar Tissoudali, Director Business Development EMEA, NHD

12:30-13:20

INTERACTIVE GROUP DISCUSSION SESSION

This session will feature a series of interactive group discussions in a roundtable format. Each table will engage in open dialogue on key industry topics through concept sharing, case studies, and live feedback. At the start of each discussion, participants will select their own table leaders to guide and facilitate the conversation. Discussions will rotate every 50 minutes, allowing participants to exchange ideas and perspectives across multiple topics during the session.

Roundtable 1

Ensuring Safety and Compliance through Smart Inspections

Discussion Focus:

How can smart inspection technologies help companies meet increasingly stringent safety and environmental regulations?

Roundtable 2

Proactive Safety Compliance Using Predictive Smart Inspection Systems

Discussion Focus:

How can predictive smart inspection systems enable proactive safety compliance? Discuss how real-time data and AI-driven alerts can preemptively identify compliance risks, while automated reporting and digital checklists ensure continuous adherence to regulations and minimize audit risks

13:20-13:30

Each roundtable leader will take the stage to give feedback on their respective discussions and share it with the audience

13:30-13:35

Certificate Distribution to Speakers

13:35

Afternoon Networking Lunch & End of Day 2

DAY 3-WEDNESDAY,19TH NOVEMBER 2025

08.00

Registration, Refreshments And Networking

09:00- 09:30

Transforming Asset Integrity with AI and Remote Robotics
Barry Marshall, General Manager, AISUS Offshore Ltd

09:30-10:00

Driving the Next Wave of Inspection Excellence through Digital Transformation and AI-Powered Intelligence
Ali Shameer, Health, Safety and Environment (HSE) Manager, NPC

10:00-10:30

Fuel for Thought is where your expertise meets a fast-paced quiz showdown! Grab your device, fire up the app, and get ready to tackle questions regarding both work and fun. It's a battle of wits and knowledge, where you'll compete with peers, gain insights into industry. This session will test your smarts, spark some friendly competition, and maybe even win a prize or two!

10:30 –11:00

Morning Networking Break

11:00-11:30

Digital Twins for Oil and Gas
Ariz Ahmed, Chief Executive Officer, Everest DG and Co-Founder at EIT Global

11:30- 12:00

Ultrasound Program Toward Excellent Lubrication of Rotating Equipment
Ebrahim Almatrood, Machinist Technician, Aramco

12:00-13:30

EXPERT EXCHANGE: SOLVING REAL-WORLD CHALLENGES
This session will provide a platform for open technical discussions and collaborative problem-solving. Industry experts will engage with the audience to address real-world challenges and share practical solutions.

13:30- 13:35

Certificate Distribution to Speakers

13:35

Afternoon Networking Lunch and End of Day 3
